John Blake is purser. Clippings The St. Loris Tisses of the seven-teenth says: "Aff. Cutting, of Metrop-olis Illinois boat-suilder, has a high opinion of the model on change of a opinion of the model on change of a oblightion of the model of change of a steambout-bull to be propelled by the peculiar apparalus called the abgles where the state of the steamer it is proposed to build for the St. Louis and New Orleans trade are as follows: Length, 250 feet; beam, 50 feet; two 15-foot wheels; boat to draw 15 inches, light, and selfers of the market by once more sending its own to the market by once more sending its own to the market by once more sending its own to the market by once more sending its own to the steamer while the self-tange of a large amount of the present stock, has a kind of monopoly in the cargo is one of the largest ever carried in the Missouri, amounting to 916 ones, and the has capacity for 400 sacks additional. The cargo consisted of over 500 sacks grain, 55,000 feet lumber, 121 hogs, head to bace, 60 bade stemp, 67 tales hear 36 has a kind to consider the state of a basic of the season, where the self-tange of the steamer of the s heads tobacco, 60 bales hemp, 63 bales hay, 246 head hogs, 6 head cattle, etc.

The St. Louis Globe of the sevenbeauth asks: "What does Hays, of the Louisville Courier-Journal, mean to insinuate about Grandpa Silverthorne, of the Evansville Journal, by the following item: 'Another boy baby born on the Idlewild. This makes the seventh.

Keep Silveriborne off that boat," We think he means to insimute that Silverthorne is a good wel-nurse.....Says the St. Louis Republican of the seventeenth:
"We knew it! The bridge is sure to become the platform of suicides, and will in time become a bridge of sighs as well as it is now a bridge of size. We still think that there should be a little room nearly fitted out on the bridge, from which these said-destruction it. might make a more comfortable demise from this world of sin, sorrow and badlast week same time, 10,615 bales; last week same time, 10,615 bales; last brew an over-time and the man who threw an over-ripe egg at the preacher on the courthouse steps last night, but missed his aim, will pay for the supper we lost in passing by at the same time, we will ask 'no questions.''..... Old man Silverthorn, of the Evans-ville olius Lamusco (Indiana) Journal, "We have been hammering at our city authorities for five years on this object. Evansville set Louisville the Journal, thus replies to the Lasmasco-lie: "He means wharfage reduction. Now, you old sinner, how can you go to church Sundays after that? Take that back, or by the power o' Poll Kelly we'll come down on the Tarascon, pour that assertion into a cocitail, and—you'll awallow it quick enough." That is true, and he'd make an exertion to get another assertion, and another, and countless anothers till be'd call roustahouts brothers.....Louisville Courier-Journal, seventeenth: "The first report of the wharfmaster under the reduced wharfage act has been made. For the past two weeks, ending June 13th, Wharfmaster Kremer has collected and paid into the city's "hopper," for wharf-age: City whatf, three bundred ninetythree dollars and ten cents; Portland what, one nundred thirty-three dollars and sixty-five cents. This is about onethird of what it was the corresponding two weeks last year."....The above journal also says: "We have heard it ninted that "things are not working" as connubial as it should about the locks

which cleared from those is take off or aince yesterday, the fifteenth instant. Vessels which shied before that date will not be detained unless the quaran-

to do the work, as was formerly done.

### FINANCE AND TRADE.

Clarksville to-morrow.

MONEY MATTERS offered the reporter Money matters offered the reporter yesterday no reprieve from the wearying monotony that has solong existed. Exchange was scarce, but, one bank was in excess of wants and it sold twenty thousand dollars to other banks at two dollars. Rates were unchanged; buying on New York and Boston at par, selling at one quarter premium; buying on New Orieans at one quarter discount. Gold was in very slender, offering at 1 10 @ I 10½, the rates offered by the brokers. Charleston stock excites increased attention, and it is stated that parties stand was in very stender, offering at 1 10 & 10 in the rates offered by the brokers. Corron-seep meal—Per ton, \$18. Edgs—Lower; sales at 14@15c; 14c the prevalent price; round tots, 13c; sale of a lot of 12 boxes at 13c. Flour—Quiet at \$5 25@9 25, in store; we found a broker offering to close out all he had below that ngure. The lot of gas stock we reported as changing hands at par amounted to twenty-five thousand dollars. Twenty shares Mississippi Valley insurance company's stock, sold by auction on Monday at fifty, have been resold at sixty-five.

Membricates, at 50. 2 sector, \$18c. CHICAGO, June 18 —Frour dull and unchanged. Wheat active and higher; too 2 spring, \$1 21[@1 21]c, cash. Corn grades fir.ner.

Garoertes—Sugar, crushed, powdered and granulated, per fb., in barrels, \$11[@] tower rates; No. 2 spring, \$1 21[@1 21]c, cash. Corn firmer at 60[@ 60]c for No. 2 mixed, 59[c tower, rate of the prevalent price; round tots, 13c; sale of a lot of 12 boxes at 13c.

FLOUR—Quiet at \$5 25@9 25, in store; tower rates; No. 2 spring, \$1 21[@1 21]c, cash. Corn firmer at 60[@ 60]c for No. 2 mixed, 46]c, cash. Corn firmer at \$1 214. Cash. Cash. to good ordinary bought by an exporter on private terms—some repacked cottons at 14c and 14c, and some rejected cottons 13c, 14c, and 15c, and strict good ordinary at 154c. Sales amounted to 600 bales, of which 400 were for export. New York telegraphed weak, nominally and unchanged; New Orleans quiet and unchanged at 17je; Liverpool firmer with sales of 15,000 bales, at 8j

wample." Bully Hays who does the example." Bully Hays who does the example." Bully Hays who does the example." New York Chronicle, June 13th: The market has been extremely duil for cotbusiness aggregating but little more than half as much as the small total of the previous week. Quotations were reprevious week. Quotations were re-duced to on Saturday and another to on Tucsday, but as there has been at the same time a decline in exchange or gold or both, shippers have derived little ad-vantage from the reduction, and the business done was almost wholly for home consumption. The arrivals at this market have been liberal, and although the receipts at the ports have been very small, and there has been a very fair export movement, causing a considerable reduction of aggregate stocks at the south, some accumulation ms taken place at this point, until New York has on hand nearly one-half of smaller streams at the south are now so smaller streams at the south are now so low as to make navigation difficult, and intelligence was published this morning to the effect that the Red river raft is again impassable. The weather the past week has, quite generally, continued very favorable for the development of the cotton plant. Many of those sections from which decided complaints of dropes thanks peen baretofora in the canal. Changes have been made since General Weitzel has taken command, and in his absence, when a boat wants to get through the locks, she is compelled to do her own work. In plaints of drought have been heretofore received, have now been visited with splendid showers, and consequently other words, her crew must do the work of hand, ng the gates, etc. Now this is not what those Sam intends. If Uncle splendid showers, and consequently from almost every point crop accounts are very satisfactory. It seems, how-ever, that in the portion of Tennessee tributary to Memphis, rain is greatly needed. It has rained on five days at Montgomery; fine, delightful showers, Sam intends calorging boats tolinge, let him or his agents furnish their own fact that the governor, in accordance with the request of the board of health,

and the indications are that they ex-tended over a wide surface; crop is de-veloping promisingly, the fields being clear of weeds, and the blooms having appeared in several places." with the request of the board of health, has issued bis proclamation declaring quaranthe against the parts of the islands of Cuba, Porto Rico and Ja-maion. This will only affect vessels which cleared from these islands on or The total receipts for the past seven days have reached 12,869 bales against 17,070 tales last week, 21,853 bales the previous
